MWAHAHAHAHAHAHAHAHAHA  
HAHAHAHAHAHAHAHAHAHA!  
-Ryan, Chairman

We were going to have Ryan write a nice welcome to the convention, but he just wouldn't stop laughing, so I guess I will be doing it. I'm Erica, your con VP, but I'm better known as your local Dante. I'm very excited to say "welcome!"

We have a fantastic lineup of guests, and I hope you are as excited as I am to spend the weekend with Monica, Todd, Greg, Sonny, LittleKuriboh, Marianne, Spike, and everyone!

Our event schedule is the real killer here, though. AniMinneapolis has epic guests, but our real goal is socializing! We want you to find as many nerdtastic friends as possible, which is why you will see me on Friday hosting the original Dante's Fabulous Date Auction, and our friends hosting The Fantasy Ball soon after. We hope you will meet awesome people at every event and panel you attend.

Through all the fun, make sure to drink lots of water, sleep around 6 hours a night, eat 2 real meals a day, wear deodorant and shower (mostly the showering)! We want everyone to have a blast but stay healthy as well. And remember to respect our convention hotel and all our rules so that our hosts enjoy our event as much as we're sure you will.

See you on the con floor!

-Erica, VP

# Convention Operations and Answers

## General Rules

Our convention has a number of rules, policies, and regulations that help make the convention run smoothly and be as fun as possible for everyone. We encourage you to read our rules to understand what is expected to help make the best, most successful, and most fun weekend possible. In addition to these general conduct policies, we also have rules and guidelines for cosplay, press, exhibitors, and others. Violations of these rules and responsibilities can result in loss of privileges, up to and including ejection without refund, legal action, or involvement of the authorities.

**Rule Number One:** Do not do anything that could make the convention less fun for other attendees, the hotel, the staff, or for yourself. If it's dangerous, obnoxious, uncomfortable, or otherwise, do not do it. It is all of our responsibility to let everyone have a safe, respectful, and fun weekend.

If it is illegal outside of the convention, it is illegal here. Excessive or underage alcohol use, drug use, harassment, carrying firearms, and many other things are illegal, and will result in your loss of the privilege to attend our convention. If you have a safety or security concern, bring it to the convention's operations center immediately. In emergencies, dial 911.

If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise.

All attendees must wear their badge at all times throughout the convention, and it must be presented to convention staff on request at any time. Selling anything of any kind at the convention is prohibited unless you are a registered exhibitor with the convention. Pets and animals are not allowed in the convention space or hotel, unless they are working animals (such as seeing eye dogs). Smoking is not allowed in our hotel. Photography and video recording of any kind are strictly prohibited during any AMV contest or show screening. These rules apply to all types of attendees, including exhibitors, press, and other congoers. We may also establish additional policies covering press, exhibitors, and others.

By attending the convention you understand that convention staff may take video footage and photographs throughout the convention which may be used in high-lights, marketing endeavors, or other media. You consent to be filmed or photographed by staff, approved industry, or media during the entire convention without compensation to you. Your attendance constitutes a grant of rights to the convention to reproduce, display, distribute, perform, creative derivative works of, or otherwise use any video or pictures that it obtains and in any manner throughout the world in perpetuity, including online, for broadcast, or other transmissions.

The convention's code of conduct and other rules are subject to change at any time, and without notice, at the discretion of the convention. Violation of the rules is grounds for immediate loss of your convention badge and suspension from the convention.

Any form of harassment, bullying, or stalking will not be tolerated at our family-friendly event. Staff have final say in all matters at the convention, and reserve the right to remove anyone from our event for any reason.

## Weapon and Large Prop Rules

- All weapons and large props must be inspected and approved by our operations or security staff at the convention. We will then "peace mark" them, by affixing a ribbon or mark that indicates we have checked them, and, if necessary "peace bond" them by using ribbon or ties to keep your weapon from being drawn or used (for example, by someone who doesn't know the rules and sneaks up behind you and grabs it). Attendees must realize that it is a privilege to bring large props and weapons to the convention, and everyone must take great care to be careful not to damage things, whack people, or otherwise do anything that seems dangerous. We allow certain specific prop weapons and large prop items, but anything not listed below is not allowed. Please understand that due to crowding, space, or safety issues, we may have to change the rules mid-convention at any time.
- Guns:** Semi-realistic looking guns are only allowed if they have a very bright, obvious orange tip that shows they are non-working and can be obviously seen from a distance. Guns that actually work, or have the potential to work, or might be mistaken by the public as real, are not allowed. Toy or fantasy guns that are "obviously fake" are allowed.
- Swords:** Swords are allowed if they can be tied shut in their sheath, or if they are made of wood or plastic. Swords must never be waved around or wielded, but they can be used for still posing for photographs.

**Bows:** Toy, or otherwise wooden or plastic bows can sometimes be okay, but professional or compound bows are not. Equipping an arrow to a bow is absolutely never acceptable, even for photos.

**Large Props:** Large props are generally okay, if you are extremely mindful of them. However if we find that we have large crowds, or if they become a problem, we may ask you to return them to your hotel room or car at any time. We will not store them for you.

**Pretend Weapons:** Anything that is entirely obviously a play/pretend weapon that can not be mistaken for something that is actually a real weapon.

Any weapons or props may be disallowed at any time at the discretion of management. Please understand that during times of peak attendance we may be forced to limit prop size during the convention.

## How can I contact convention staff?

Find us in the "Con Ops" operations office, next to the panel area (check your map). Should you need help, have an emergency, or anything else, Con Ops is a great resource. For general questions, you can ask any staff member you see.

## What do I do in an emergency?

Our operations center should be your first stop if you need immediate and urgent assistance. In especially dangerous or life-threatening emergency situations, you should call 911 immediately. If you are unable to safely and quickly make it to Con Ops, please inform the nearest available staff member immediately. If you witness an emergency or need help, please go to Con Ops and ensure the situation is resolved.

## Who do I talk to about special needs?

Individuals with special needs who need accommodations are encouraged to attend our programs. If you are an individual with special needs in need of an accommodation, please see us in Con Ops. For hotel related special accommodations, please see the hotel front desk staff.

## Where do I submit feedback/suggestions?

Your feedback is extremely important and valuable to us, and we encourage you to share both your negative and positive experiences with us, so that we can use your feedback to make a better convention every year. We collect your email address when you register so that we can email you our feedback survey, which is why it's important that we get a good email address. The feedback from these submissions are reviewed multiple times every year, so your comments will be noticed.

## Do you have tips for parents?

We encourage you to plan ahead with your children about where you might meet up if you are separated in the massive crowds. Write your phone number on the back of the child's badge if possible, and keep a description of what they are wearing. Children 13 and under must be attending the convention with a parent or guardian, and children under 7 must have a guardian with them at all times. Please read all event descriptions, as some events may not be suitable for children.

## Can I host a party in my room?

Room parties are up to you, but we have several reminders. If you receive repeated noise complaints, the hotel may and will evict you from your room. If you serve alcohol to minors, the police will give you a court date. If serving drinks or showing adult material, check the government-issued IDs of every last person, and don't even let anyone underage in your room. Violations of these rules can result in removal from the convention, revocation of your convention badge, and possibly involvement of the proper authorities.

## Can I join staff or volunteer?

We would love your help! Stop by our Con Operations room and inquire about volunteering. Volunteer perks range from getting pizza with staff to free admission for next year. Staff members must sign up in advance on our website, and we encourage you to think about it for next year if you would like to help out. It's a great experience, filled with awesome people to meet.

## Please remember these attendee tips!

### Eat Two Meals Each Day

We have a ConSweet filled with free pop and free rice, but you can't live off this stuff, even if you're Kirby! Getting regular meals, complete with protein, vitamin-C, and real nutrients, is important to keep your body from getting worn out. Eat at least two real meals per day. Consider ordering delivery, or getting some friends together to go out somewhere.

### Sleep Each Night

You need to get at least six hours of sleep each night to fully enjoy the convention. While staying up is fun and exciting, most events end by 2am, and you won't have as much fun if you stay awake all night. Get some sleep and enjoy the next day rested!

### Shower Daily

Whenever you are having a ton of fun, sometimes it can be hard to remember to stop and think about others. Please, as a courtesy to other attendees who may be standing behind you in the auto-graph line, shower every day!

# Registration Information

Registration handles giving out badges to pre-registered attendees, and selling badges to attendees that have not yet registered. You may register in Con Ops for a short time after the registration desk has closed. All individuals participating in convention events or watching convention functions are required to have a convention badge, which must be worn at all times.

There will be two lines for registration: pre-registered, and at-the-door registration. Pre-registered attendees, who have already paid for their badge online, simply need to provide their name and identification to pick up their badge.

You may pay with cash or a check written out to "AniMinneapolis." We can not take credit cards. At the door registration is \$45 for the full weekend for those 13 and older. Children from 7 to 12 must be registered with by a paid adult. Children under 7 can register free with a paid adult. Max two children per adult, and those under 13 should be accompanied by an adult at all times.

## What age indicators are there?

Badges include an age indicator for people 21+, 18+, or under 18. Attendees need to provide a government-issued photo ID with a birthdate to get any badge 18-20 or 21+ badge, otherwise they will be issued a Youth badge. A photo ID is still required for any 18+ events, and party hosts must check a photo ID in accordance with state law before providing alcohol also.

## What do I do if I have lost my badge?

If you have lost your badge, it can be replaced one time only by registration for a fee of \$25. Do not lose your badge, and keep it somewhere where it won't be misplaced. Abusing this privilege to share badges, or the use of someone's lost badge, can result in expulsion, or even death by heart attack.

## Main Foyer

Friday 12pm to 8pm  
Saturday 10am to 6pm  
Sunday 10am to 1pm

## At The Door Pricing

Weekend Pass \$45

## When must I wear my badge?

Badges must be worn at all times during the convention, and are required for access to convention events. Badges come with a lanyard to wear around the neck. You may be requested by staff to present your badge at any time.

## What do I need to register?

We request that you have a government-issued ID ready and available for our staff. We also need to know your mobile phone number and an email address so that we can reach you in an emergency or for convention feedback. Your email address and phone number are not optional. Our privacy policies specify that we will not give-away your personal information to outside parties except to facilitate the business purposes needed to hold the event.

### Game Room Rules

1. During open gaming, please share game systems when there are people waiting. No 5-hour pre-game "practice" sessions.
2. Please be kind to the games. Damage or theft may result in removal from the convention or involvement of the authorities.
3. If you would like to have a tournament not currently scheduled, let us know and we'll see if we can fit it in.
4. If a game is defective or malfunctioning, please let us know immediately.
5. Convention staff have final say in all judging and other decisions.

# Autographs

## Autograph Reminders

Please do not wait until the last autograph session to get an autograph; you could miss out when we have to limit the number of people per session. Only the first fifty (50) people for each hour of autographs will be allowed to wait in line for the autograph session. After that amount, we can not let more people wait in line as the guests will run out of time. You are limited to up to two (2) items signed per autograph session if there is a full line. The size of items may be limited if required. Some lines for autographs may form very early. If you do not arrive early enough to get a spot in line, be prepared to try a different autograph session.

Guests will only be able to sign official, licensed merchandise - not bootlegs. Our dealers will be held to high standards of copyright compliance.

We reserve the right to choose to implement, or not implement, a lottery system at any time, if more than the maximum number of people are in line before the session begins. If we are required to implement a lottery, then arriving several hours early may not guarantee an autograph for that session.

Photographs and recordings with the guests are available only with the guests' permission and are limited by time. Please be kind to respect the awesome guests we have, and ask nicely. In extremely busy circumstances, photographs may not be allowed, or we may ask that you wait until everyone else is finished.

While we try to have enough sharpies, sometimes we run out or they go missing. If you have something that needs to be autographed in a specific color, then we recommend bringing that color.

# Costume and Cosplay Events

The convention includes numerous costume events designed to let you show off and showcase your wonderful cosplay costumes. The mainstage masquerade is our primary costume contest, with participants competing to be the best in show. There are also numerous photoshoot opportunities and additional contests held throughout the weekend.

## Masquerade Contest

### How To Participate

To participate in Saturday's mainstage cosplay contest, please pre-register by 8pm on Friday. Registration ends Friday night, though it may be open on Saturday morning if enough timeslots are still available. Complete contest rules are available, along with signup forms, at the convention registration desk.

### Contest Categories

Participants can choose to be judged in either their costume workmanship, their performance, or both. Each category is divided up into judging categories, which include Inexperienced, Experienced, Master, and Youth divisions. Workmanship entries will be judged both on overall appearance and the quality of the construction of their costume. Performance entries will be judged on acting, memorizing, performing, and presentation skills. Participants can choose to participate solo or as part of a group. Complete rules and entry forms are available in the cosplay office. Please register as early as possible.

## Hall Cosplay Workmanship Contest

The hall cosplay contest is a workmanship contest in which you compete on your craftsmanship and costume creation skills. To compete, you must register in advance (at the Registration Desk), and you will be given a time to be judged on Sunday morning/afternoon (though some people may be judged immediately if judges are present).

## Meetups & Photoshoots

We schedule these times and places for meetups for various fandoms. These are a chance to meet other people interested in the same fandom, and possibly take group photos (we may or may not have an official photographer present). This way it will be easier to know when to dress up and when you may find other characters from your favorite show, video game, or comic.

Todd provides voices for several of the most famous anime characters, including North Italy in Hetalia, Ling Yao in Fullmetal Alchemist, Natsu Dragneel in Fairy Tail, and Hikaru in Ouran High School Host Club, among many others. Todd Haberkorn is currently a proud member of the Anime community and continues to be its humble servant by way of english dubbing. Haberkorn received his BFA in acting from Southern Methodist University and continues to work professionally, primarily in Texas and surrounding states, as an actor, director, producer, and writer. And while the FUNimation Podcast is no more, you may have previously seen him star in it.

Catch Todd's voice as lead roles in Sgt. Frog as Keroro, Suzuka as Yamato, Ghost Hunt as Naru, Claymore as Raki, Holic as Watakuki, D. Gray-Man as Allen Walker, Sands of Destruction as Kyrie, Soul Eater as Death the Kid, and some others he can't say right now. A few supporting roles include Itsuki in Shuffle, Ichimoruken in Hell Girl, Firo in Baccano!, Kono in Darker Than Black, and Khoza in One Piece. When not in the booth, Todd is a producer with his company, Out of the Office Productions.

## LittleKuriboh

Martin Billany, more well known as LittleKuriboh, is the creator of Yu-Gi-Oh!: The Abridged series and the godfather of the abridged age. He has thus far produced no less than 52 episodes, a spinoff, a prequel, a christmas special and two movies, creating a cultural phenomenon in the anime world. In addition to playing nearly every character in his own series, he has made cameos in the Death Note, Naruto, Sonic X, Trinity Blood, Pokemon, Fullmetal Alchemist and Sailor Moon abridged series. With a mission to revitalize interest in the Yu-Gi-Oh franchise and make it more accessible to Joe Public, LittleKuriboh will continue the original abridged series providing us with priceless entertainment for many years to come. All-round nice guy and community fan-favourite, he is also associated with TeamFourStar (the group behind Dragon Ball Z Abridged, for which he also supplies voices) and has made guest appearances on comic-book video review series Atop the Fourth Wall.

## Marianne Miller

Marianne very rarely stops talking, so when she realized that she could make money off of it, she immediately leapt at the chance to do so. Of course, just talking wasn't enough to get work in the voiceover industry, so after many years in theatre (both musical and otherwise), Marianne got her first role in Fullmetal Alchemist and the Conquerer of Shamballa. Since then she has also received work as Kyosuke in Madoka Magica, Leta, Tula and Lido in Dragon Age: Warden's fall, Yuuno Scrya in Magical Girl Lyrical Nanoha (and Lyrical Nanoha A's), Yuuta in Squid Girl, Anwar in Avalon code, as well as many others. One of her biggest projects coming out is a CGI adaptation of The Snow Queen, being released in theaters this Christmas--she voices Kai, the male lead.

## Lewis "Linkara" Lovhaug

Lewis "Linkara" Lovhaug has had the misfortune of being cursed to review comic books on the internet. Somehow this has made him popular on the website That Guy With the Glasses, though many suspect it's more so people can stare and laugh at the weirdo. On his show, Atop the Fourth Wall, he regularly contends with the surreal, the stupid, and the senseless books that the comic industry has produced over the last eighty years. If that wasn't sad enough, he also has done a retrospective on Power Rangers (released on the schedule of when a blue moon rises on the 13th hour of the 13th day of the 13th month), actually attempting to grant serious analysis to a series about guys in spandex punching rubber-suited monsters. It's best not to make direct eye contact with him.

## Airship O'Reilly

Started back in 2007 as the Brazen Beauty, the Champaign, IL based Airship O'Reilly has since evolved beyond just a group of kids who wanted to make movies and have fun. Bringing together several slightly insane individuals, O'Reilly has become a force of entertainment, hosting events in their hometown, making costumes and accessories, and bringing the madness and chaos with them wherever they go.
